

PLAY15 CREATIVE GAMING AWARD

PLAY15 – festival for creative gaming introduces the new **Creative Gaming Awards in the categories Most Creative Game and Most Innovative Newcomer Game**. It is possible to submit concepts, alpha-/beta-versions or games, which deal creatively with the medium computer game and allow the players creativity in and with the game.

Creative Gaming Award – Categories:

Most Creative Game

Games are honored that give the player the possibility to interact creatively in and with the game. This award is endowed with 3000 €.

Most Innovative Newcomer Game

It is possible to submit prototypes, beta-versions, alpha-versions and finished projects. The focus is on the game idea and the innovation that is connected with the development of the game. This can be showcased by a special gameplay, transmediality, unknown possibilities of interaction within the game, essential graphic innovations, new interfaces, uncommon atmospheres, visual breakthroughs or new topics that are being dealt with in the game. This price is endowed with 1500 €, furthermore the developers will be supported by a games company for 1 year that will help them with the development of the game.

Submission:

It is necessary to submit:

- The game/prototype/alpha-/beta-version online or on a data storage device via mail.
- The project should contain an installation guide.
- A short movie (max. 3 min) that explains the principle of the project
